

EFFINGHAM COUNTY IMPACT

United Way
of the Coastal Empire

United Way of the Coastal Empire's Effingham Service Center has been improving the lives of our friends and neighbors in need for more than 30 years. We partner with local nonprofit organizations, the faith-based community, and other community collaboratives to ensure our residents have their basic needs met and opportunities to grow.

Our commitment to serving our community remains true today. Working united as one, we will change the futures of the children, families, and individuals in our community.

In 2019, we connected over **13,000** residents with services and resources such as...
