# UNITED WE IMPROVE LIVES

For more than 80 years, United Way has continued to evolve to meet the needs of the times, helping to provide solutions to our greatest challenges. From the 2008 Imperial Sugar Refinery explosion, to hurricanes, and now a pandemic, we have been on the frontline working to rebuild and restore our community.

Throughout 2020, we all faced adversity and setbacks, but we take comfort in remembering that our strength comes from our ability to adapt. Last year taught us that we have the power to change our communities, our priorities, and our lives. We must bring these lessons forward. We invite more people to become involved. By increasing the overall support, we can more positively impact our community.

- Cecilia Russo Turner, 2021 Campaign Chair

## CRISIS RESPONSE

**We were built for this.**

Founded in 1938 after the Great Depression, United Way was created to respond to crises. When the pandemic began last year, United Way mobilized the community to help those most severely impacted before federal relief funds were eventually made available. Whether it's an economic collapse, a hurricane, a fire, or COVID-19, United Way is here, and we can't do it without you.

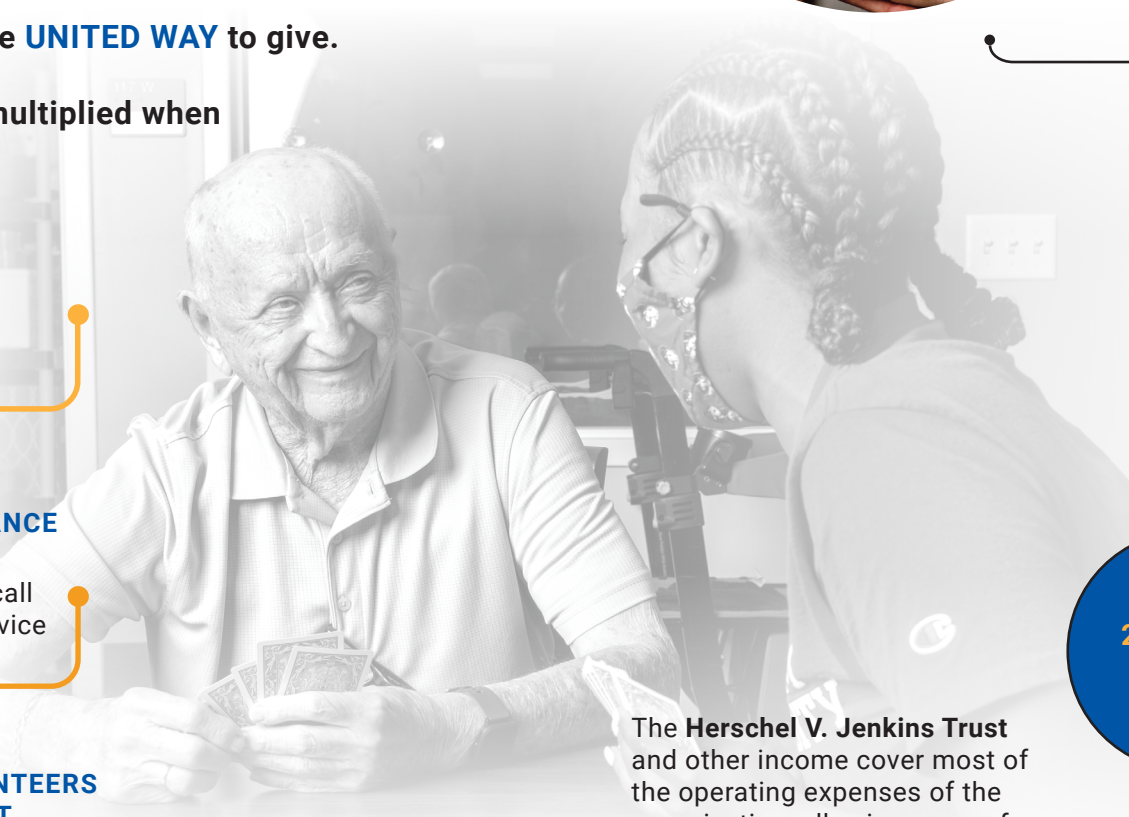

If you or someone you know needs help or information about services, programs, and resources in our area, call 211 to receive confidential assistance.

The Community Fund is the **UNITED WAY** to give.

The power of your gift is multiplied when combined with others to:

- 1 SUPPORT NONPROFIT PROGRAMS**  
Visit: [uwce.org/fundednonprofits](http://uwce.org/fundednonprofits)
- 2 PROVIDE DIRECT ASSISTANCE TO PEOPLE**  
Through our 211 call center, county service centers, and more
- 3 CONNECT VOLUNTEERS TO CAUSES THAT STRENGTHEN OUR COMMUNITY**  
Through United Way Volunteers

The **Herschel V. Jenkins Trust** and other income cover most of the operating expenses of the organization, allowing more of your dollars to go where they're most needed in service to the community.

**THAT'S POWERFUL!**
