18	How to Sponsor Details

United Way of the Coastal Empire was founded by leaders of this community nearly 85 years ago and continues to be volunteer-led. The mission is to improve lives by mobilizing the caring power of our community. The Community Fund makes this possible. Events continue to drive awareness and increase support for the Community Fund or specific funds, like WOMEN UNITED's Transportation Fund.

United Way's funded programs and services improve more than 200,000 lives annually. One of the many values of sponsoring a United Way event is knowing your gift serves the community by providing a safety net for those most vulnerable and pathways for upward mobility so everyone can thrive.

READ UNITED DAY

Our four-county service area:
Bryan, Chatham, Effingham &
Liberty counties

Read United works to close the early childhood literacy gap within low-income households by providing emerging and early readers with quality, developmentally appropriate books for the home, and a first-hand volunteer reading experience in the classroom.

On Read United Day, our volunteers in nearly 60 local schools will read to over 750 classes and deliver more than 19,000 books to children, advancing early childhood literacy in the Coastal Empire. The cost of sponsorship is approximately \$3.00 per child, and while less traditional and exclusive than event-oriented sponsorships, there is no better way to change lives for generations to come. Read United is our only sponsorship opportunity for organizations that can provide volunteer power as well.
