HOW TO RUN A UNITED WAY WORKPLACE CAMPAIGN

BEST PRACTICES FOR RUNNING A CAMPAIGN

1. CONFIRM LEADERSHIP SUPPORT

- Confirm your leaders' support, ask them how they want to be involved, and discuss goals.
 - Set realistic campaign goals and establish a timeline that suits your workflow.
1. Will your company be offering a match?
 2. Is your organization inviting retirees to participate with you?
 3. Can you include board members, vendors, and customer that aren't yet involved?
- Inquire about a corporate gift.
 - Secure a budget for any recognition or activities, ensure time is allocated for campaign-related activities.

2. SELECT A STRONG CAMPAIGN TEAM

- Recruit co-workers to serve on your team; seek representation from all departments and levels.
- Allow the team to set goals for their departments and assist in deciding how best to engage peers.
- Involve overlooked groups: ask a retiree or past leadership giver to serve on the team.
- Consider sustainable practices like 2-year rotations, mentoring processes, volunteer activities, and agency visits.

3. PLAN AND PREPARE

- Provide UW with company information: address, # of employees, leadership name(s), phone, company email.
- Cross-reference and update UW's records with your current employee roster.
- Connect goals with impact; visit uwce.org/campaignhq for success stories and impact data.
- Meet with UW representative to plan the campaign, identify growth areas, and set dates.

4. PROMOTE LEADERSHIP GIVING

- Plan a leadership program.
- Connect with company leadership to recruit a respected senior staff to make individual leadership asks Beacon, Young Leaders, Alexis de Tocqueville.
- Identify prospective leadership donors by targeting:
 1. Employees who gave at leadership levels last year.
 2. Typically defined as donors of \$500 or more, or those whose annual salary is \$60,000 or more.
- Always remember, YOU aren't asking, the community is.

5. CONDUCT AN EDUCATIONAL CAMPAIGN - EVEN VIRTUALLY

- Kick-off with strength. Schedule a meeting where your UW representative can share the UW story, distribute brochures and pledge forms, and answer any questions. (As a bonus, any staff who participates in a UW presentation will be eligible for our prize drawing.)
- Meetings should take place when most employees can attend. Make-up meetings may be offered.
- Coordinate a stand-alone group meeting or add UW to the agenda for a regular team meeting.
- Ask UW representative to invite a Community Fund Advocate or agency speaker to bring another perspective to the presentation.

6. MOTIVATE TO BUILD MOMENTUM

- Make giving manageable. Asking someone to give \$2 per week sounds easier than \$100 per year.
- Encourage payroll deduction.
- Promote Caring Club®. Donors who give \$3.50 per week are eligible for discounts at a variety of local businesses (details at uwce.org/caringclub).
- Try something different:
 1. Host a special event.
 2. Generate enthusiasm and camaraderie.
 3. Create a challenge or consider participation awards like casual day, raffle, or time-off.
 4. Invite healthy competition among departments to see who raises the most money, has the highest participation rate, or recruits the most volunteers.

BEST PRACTICES FOR RUNNING A CAMPAIGN CONTINUED

7. WRAP-UP AND REPORT RESULTS

- Collect pledge forms and complete the Campaign Report Envelope.
- Schedule a wrap-up meeting with your UW representative; turn in the report envelope with pledge forms and any cash or check donations.
- Share learnings and opportunities for improvement with UW staff.

8. SAY THANK YOU

- Send a letter or email from you and/or your leadership announcing the campaign results and saying thank you.
- Thank everyone for their contributions of time, voice, and money. Remember, just listening to the message can create advocates.
- Celebrate with the whole group and recognize special efforts; consider simple ways to say “thanks” by honoring incentives or hosting an event.

9. CONNECT YEAR-ROUND

- Establish a new hires program for new employees to support United Way.
- Encourage co-workers to subscribe to UWCE’s monthly e-newsletter or add a United Way spotlight to your newsletters and staff meetings.
- Visit uwce.org and find success stories and videos to share; follow UWCE on social media.
- Organize company-wide volunteer opportunities through United Way Volunteers at uwce.org/uwvolunteer.
- Be a champion for our community throughout the year when you give, advocate, and volunteer.
